President’s Report – Presented by Lynda Straker

Two years ago I was elected President of the MBU. It was an exciting day and it has been an exciting two years. I’ve had the pleasure of working with super supportive people who looked to me to lead in a way that promotes the goals of the MBU and in a way that enables change. The MBU website was a major step forward for us. The revised Consumer is an outstanding accomplishment that makes all of us proud.

Our Directors have increased in numbers and we have focused on new players by offering training and special games to promote and upgrade basic bridge skills. Our mentoring program was established and is still growing. Many game scores are now being published immediately after games are over. Thank you to our Directors for your diligence and commitment to the MBU.

To those who have stepped up to frame the future of the MBU, thank you for your energy and creativity. In order for the MBU to continue to grow, we need everyone to join in. Don’t hold back. Don’t become complacent in the confines of your individual clubs. We have to support each other and by doing so, we make the MBU stronger. Your suggestions, your full participation and your energy are all necessary for the MBU and the ABA to grow.

At our last meeting, we spoke about participation in Nationwide games held on Friday evenings. After giving that conversation some thought, I propose, to increase/expand participation in the Friday night Nationwides, we alternate the location of each game based on the following suggested rotation: March location Bridge Home, June location Brooklyn, September location Bronx, December location Bridge Home. The Saturday Nationwide location would continue to be the Bridge Home.

The ABA Spring National Tournament is April 2 to April 8, 2020 in Baltimore, Maryland. It's important that we support the ABA by each club publishing an ad in the Souvenir Journal and by purchasing raffles. These two activities are primary fundraisers that enable the ABA to continue to exist. A recent email to all MBU clubs contained the instructions for submitting an ad and if your club has received raffles, please purchase them and return them as soon as possible. Please send in your Journal Ad by February 9, 2020.

May you all find good health, great satisfaction and better bridge in the year ahead. See you at the tables,
